

Maintenance Technician

About the job

Jonah Water Special Utility District (SUD) is accepting applications for a Maintenance Technician.

Jonah Water SUD provides high-quality water services to over 30,000 district customers in central Williamson County, Texas. The Maintenance Technician will support the district's needs in water, wastewater, sewer and stormwater efforts.

Essential Responsibilities

- Perform routine maintenance and inspections on light, medium, and heavy equipment
- Operate heavy equipment
- Assist in recording pertinent data required by state, city and department
- Respond to service calls as needed
- Assist in training personnel on various machinery operations
- Keep all work areas, building and equipment clean and organized
- Keen ability to follow directions, show initiative and work well with a team
- Regular and timely attendance
- Perform other essential duties as required to achieve successful operations of the department

Qualifications

- Valid TX driver's license rated class "A" CDL with insurable record or must obtain one within six (6) months of employment
- Must obtain class "D" water distribution license within eighteen (18) months from date of employment
- Must obtain class "C" water distribution license within three (3) years from date of employment
- The position does not require prior experience, and on the job training will be provided as necessary

Working Conditions

- Full-time position with hourly pay
- Standard 40-hour workweek Monday through Friday
- While performing the duties of this job, the employee is frequently required to lift, carry, and position objects weighing up to 75 pounds and occasionally up to 100 pounds

- While performing this job, the employee may be exposed to exhaust and fumes, toxic or caustic chemicals, moving mechanical parts, and outside weather conditions

Compensation Package

Jonah Water SUD offers a favorable compensation package including competitive wages and longevity pay. Maintenance Technician expected pay is commensurate with experience. Jonah Water also offers time away from work benefits that include 11 paid holidays annually, earned vacation time-off and sick leave. Once a trial period is complete, employees are eligible for medical, dental and life insurance coverage. Retirement benefits entail membership with the Texas County and District Retirement System with participation from both employee and Jonah contributions to the employee's retirement account.
